DEPARTMENT OF FORENSIC SCIENCE

The Management of AFC has started a three year B.Sc, Forensic Science innovative professional programme from 2018-19 academic year onwards. Forensic Science is the application of various scientific methods and principles to investigate criminal and civil actions which are of interest to the legal system. All the clues collected from a crime scene are analyzed by forensic Science expert in a crime laboratory and are converted into scientific evidences, worth providing in legal courts. Our Chairman has taken keen interest to establish a laboratory with all facilities. There are wider scopes for career growth in India and Foreign Countries, as Medical examiner, crime lab analysts, crime scene examiner forensic engineer, chemical research jobs for extensive reaches

Forensic Science Lab declared open by Honourable Justice Smt. NAZEEMA BANU

YES YES CAFE

The Annai Fathima College has a beautiful ultra modern restaurant with in the campus, a very good service is available. In addition to this café, we have an established mess for the students of the hostels. It has a very big room with a lunch line and tables. The Cafe is established as per its geometrical propositions. The Management used the relevant cafe design with exterior and the interior interfaces. Just like a Star hotel we have personnel of four categories and they are carrying out all services. South Indian, North Indian, Chinese, Western and traditional dishes are available as per our extraordinary professional and technocrat Mr.Shah. We don't have a compromises on quality of food served to our stake holders at low cost. We are following the nuances of our hotel management tradition and new technologies
