

STUDENT SATISFACTION SURVEY REPORT

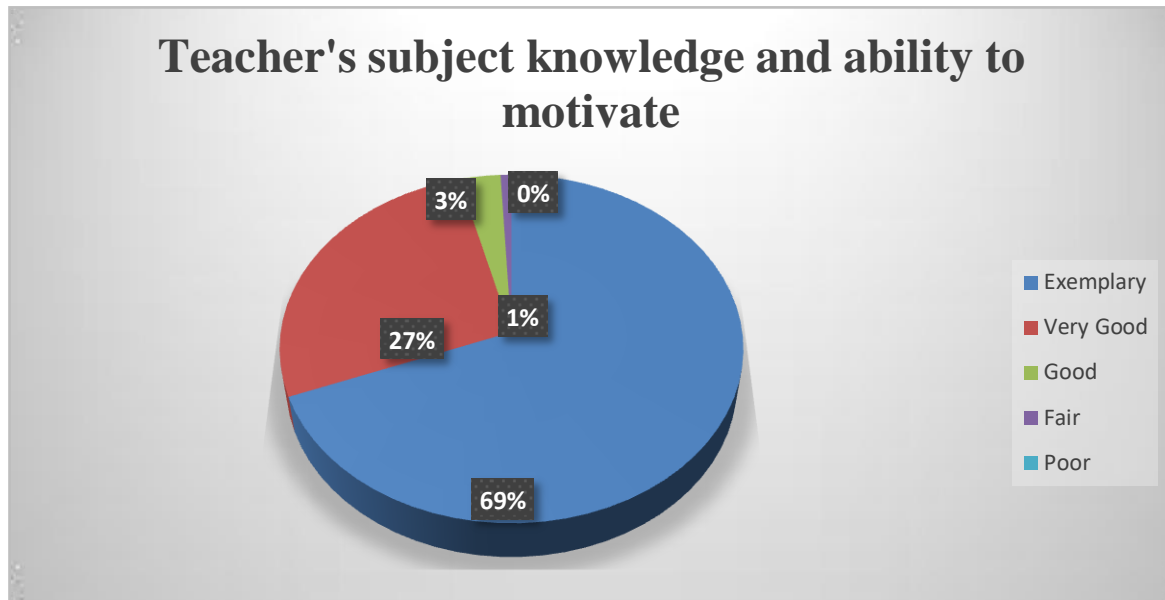

ACADEMIC YEAR 2019– 2020

The Student Satisfaction survey was prepared and conducted by Internal Quality assurance Cell (IQAC) with the support of heads and coordinators of all departments. Feedback forms were distributed to the student population through various modes including online forms. There were 725 respondents to the survey conducted.

The students were asked to include any additional suggestions that they would like implemented. The responses obtained were compiled in a spread sheet, analyzed and logical conclusions were drawn thereupon. The results of the survey help the college understand the short term as well as long term needs of students, identify deviations if any and initiate remedial action where required.

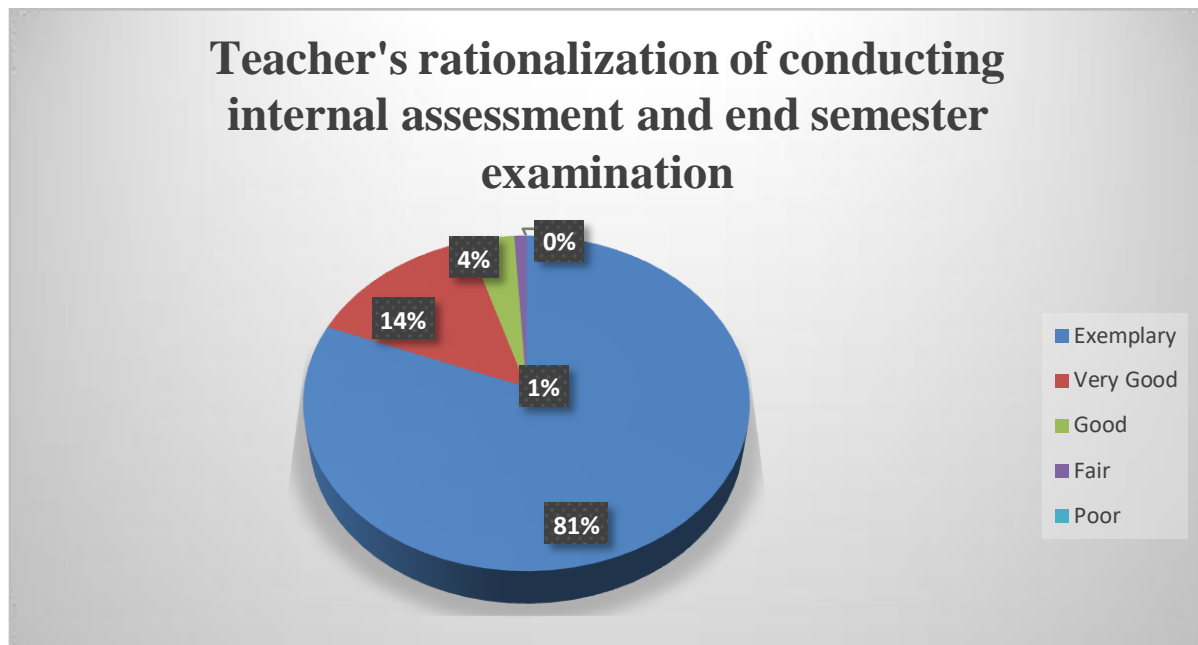

1. Teacher's subject knowledge and ability to motivate

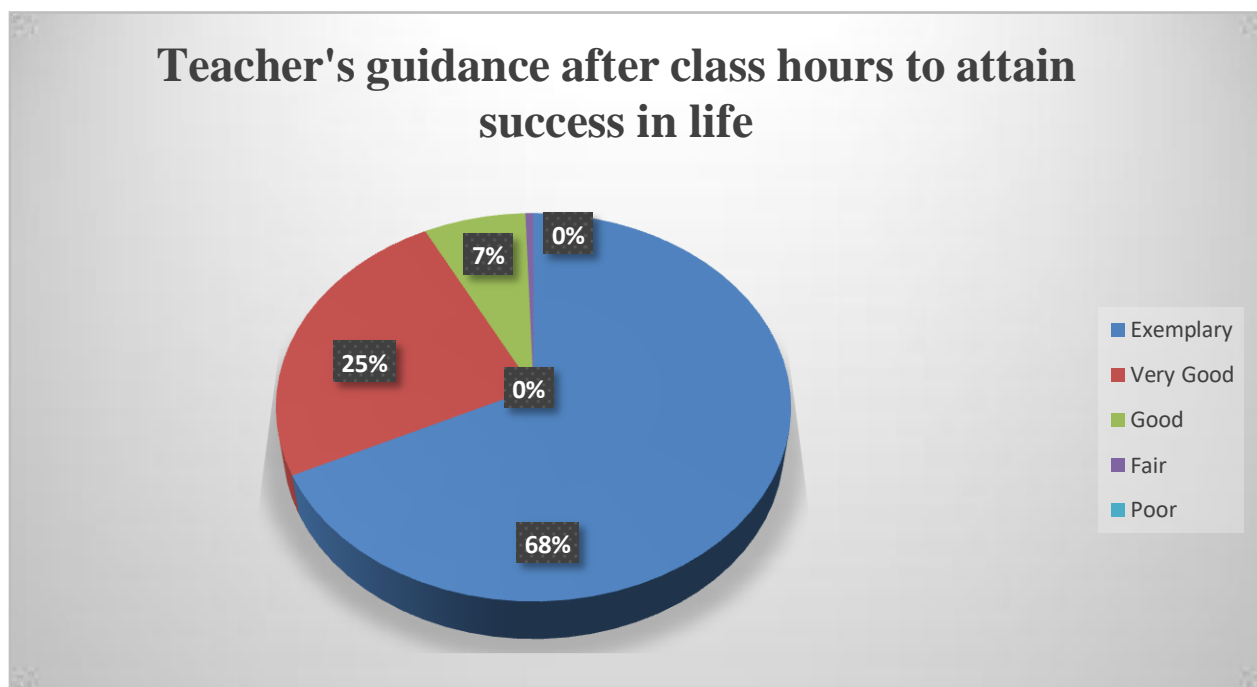

2. Teacher's time management and communication skill

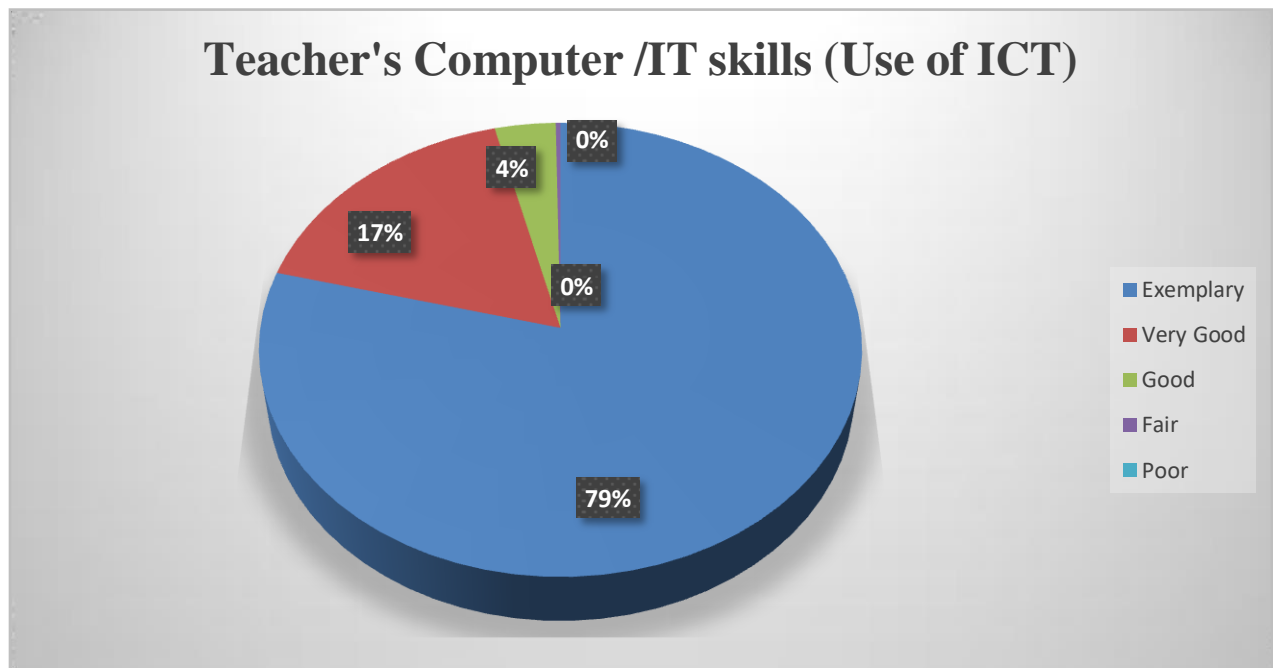

3. Teacher's rationalization of conducting internal assessment and end semester examination

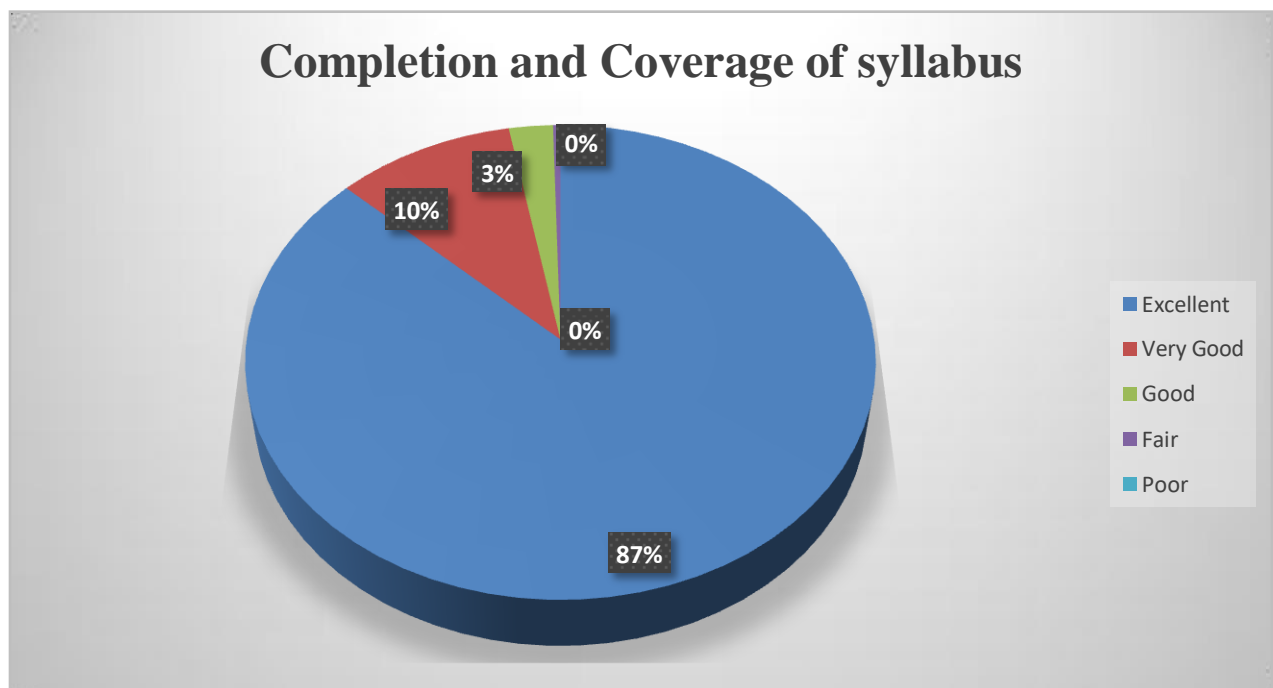

4. Teacher's guidance after class hours to attain success in life

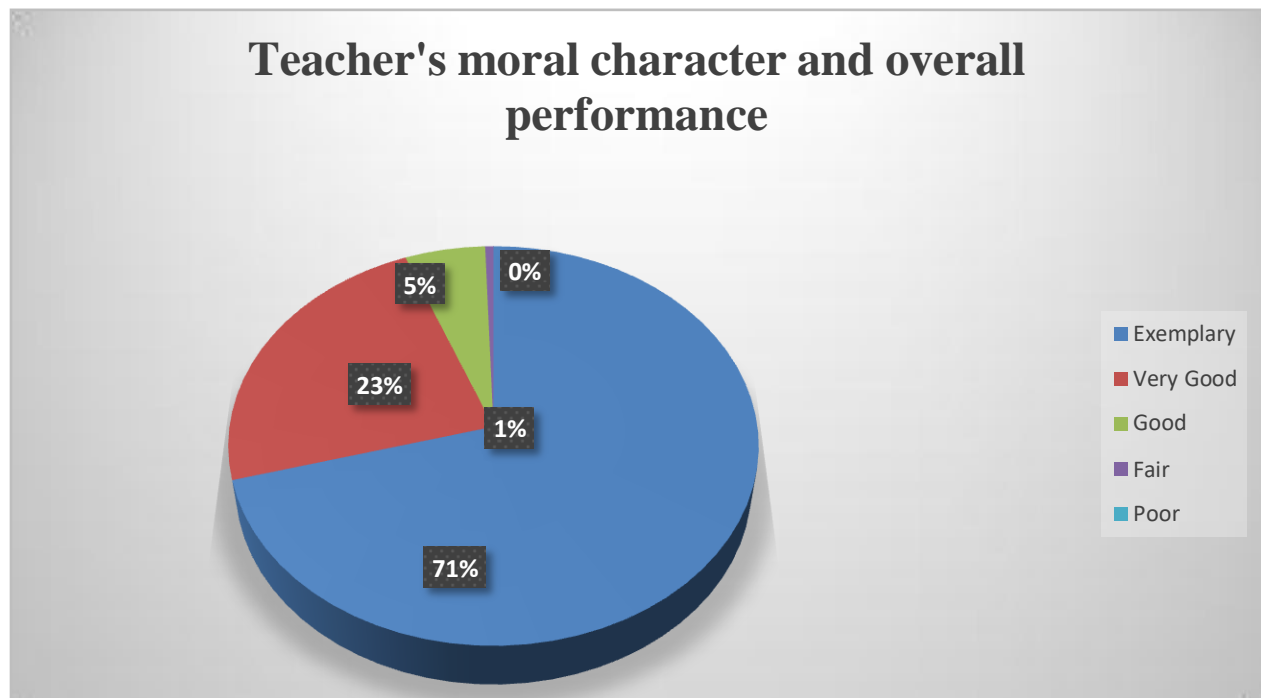

5. Teacher's Computer /IT skills (Use of ICT)

6. Completion and Coverage of syllabus

7. Teacher's moral character and overall performance

The Annai fathima College endeavours to provide its students opportunities for holistic development. Apart from quality class room education it offers students platforms and forums to explore varied interests and learn new skills via committee participation, events, seminars and fests. The college has various committees and its opened for students to develop their inbuilt skills which includes public speaking, debating society, Placement cell.

SUGGESTIONS FROM STUDENTS

This College places great emphasis on continuous improvement through effective quality management measures. In line with this goal the college seeks feedback and suggestions from the students beyond the questions listed in the survey. The students are open to add additional comments or suggestions that they would like the college to consider and implement. The suggestions provided by the students included inter alia, increased information and communication with respect to certificate programs and scholarships, increased internship drives and collaborations with more companies, improved medical facilities, increased industrial visits

and field trips, better maintenance of restrooms etc. These suggestions have been taken under the advisement of the college. Steps have been taken by the administration to implement the same

REPORT ANALYSIS

In order to obtain feedback from the student body and accurately identify and analyze areas of improvement, IQAC conducts an annual ‘Student Satisfaction Survey’ gauging the level of satisfaction of the student body with respect to the facilities and functioning of the college. The outcome of the survey serves as a base for future planning.
