SAHANA MASJID

The place for Ebullition

The Management has created a state of art MOSQUE in the campus surrounded by church and temple. The Mosque, MASJID in Arabic is the gathering place for prayer. It has followed the style, layout and decoration of a Mosque. The prayer hall was built in the name of Sahana Majid and dedicated to the Almighty. The prayer hall is fully air conditioned and spacious. It is being built on the international standards to the students and staffs to perform their prayers.

Message from The Chairman

Welcome !

Dear Parents and Students, I appreciate your interest and enthusiasm shown in our institution for your further studies, especially in the field of Hospitality, Tourism, Airline, Forensic Science, Hospital, Aviation Management and Information Technology programmes.

Our institution is run purely on service basis to the community at large and to improve the quality of education and in turn up-lift the quality of students life.

The dedicated, well-qualified and competent faculty members and administrative staff available in the campus contribute much for developing the students academic strength. We concentrate on overall growth of students in studies, health and character. The College is poised for moulding the students as a good citizen of the country.

Our Alumni have peaked to a great height in their career as well as in their personal life. we expect your wards to meet the same status. Consequent to the liberalization, privatization and globalization (LPG), there is a heavy demand in the workforce for the Hospitality Industry all over the World. The college has designed suitable strategies to meet out such demands and for which we have received good reputation from the Industry.

I wholeheartedly welcome you to the institution that shapes your future as per your own dreams.

M S Sha BHM (Manipal)
Chairman

AFC

Greetings from the College Advisory Committee

Annai Fathima College is a unit of Annai Fathima Education society registered under the Tamilnadu Societies Registration Act of 1975 and is functioning since 1994 with the common goal of providing professional and technical educations by a group of philanthropists from different walks of life. In this citadel, Self-development programs are given priority. The Alumni of our institution have reached higher positions in their career and in life and are also successfully working in various high rated industries. It is a testimony to our diligent and earnest attempt to shape up your future career. We wish you all the very best for your future endeavor.

M S Shakeela Sha, CEO
Treasurer - AFC and Secretary
Annai Fathima College of Education

Message from The Secretary

The Annai Fathima College of Arts and Science is a uniquely preferred institution offering world class education backed by experienced faculty team. We are continuously upgrading our students and our services by adapting state of the art technology, keeping in mind the changing needs of the modern industry. We are a highly motivated, well trained, equipped and empowered to ensure total satisfaction, thus maximizing the interest of all our patrons. We commit ourselves to invest all possible resources in maintaining and enhancing the society and community. We ensure that there is a permanent link among the parents, teaching staff and students. Soon after the students register in AFC, students and their family are given access channels in updating the progress and development of their wards. The parents can even check their wards punctuality periodically and exchange views with the teaching and administrative team.

From the Principal's Desk

"The main aim of our college is to transform an ordinary student into an achiever"

I have immense pleasure in welcoming everyone you to Annai Fathima Group of Institutions which would be a Gate-way to your Bright Future.

I feel it as a honour to lead a committed and dedicated team of faculties to groom the students to fit into the latest trend of global scenario.

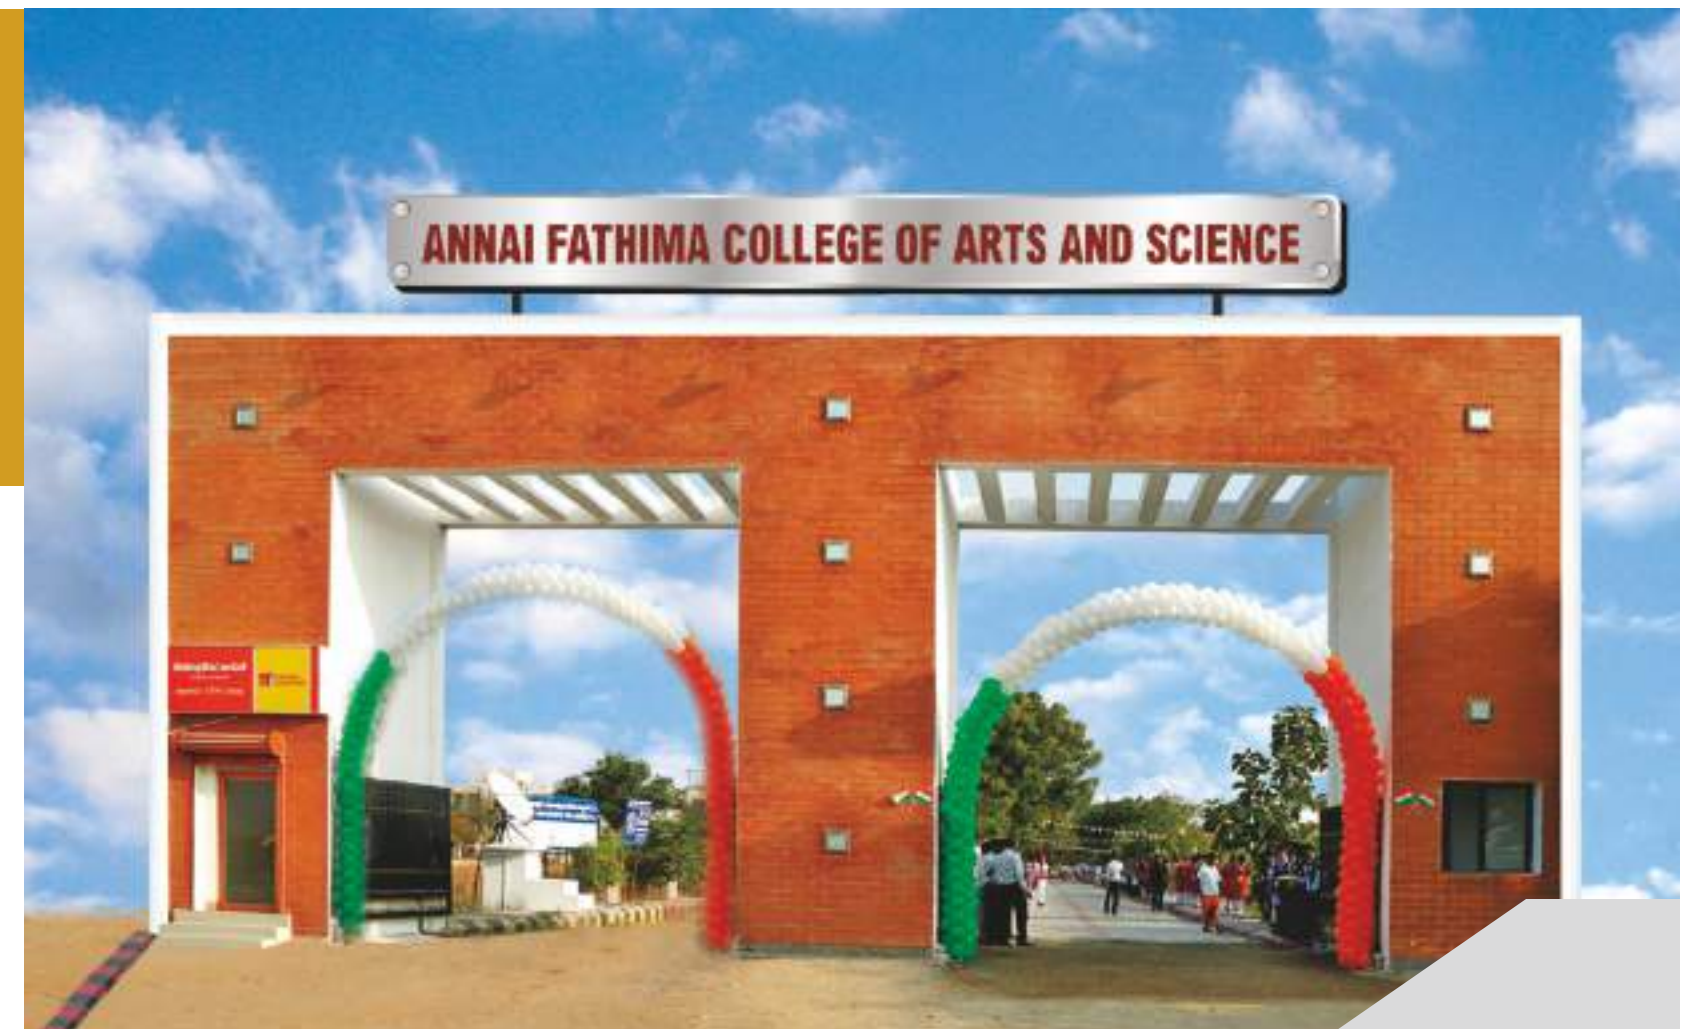

"Education must enrich our brains with new and valuable information that improves our ability to think, analyze and process the world around us. The learning process is important because it results in new knowledge; Knowledge that opens our minds to new perspectives, ideas, beliefs, cultures and solutions."

Since education is a shared commitment between dedicated teachers and motivated students with high expectations, the role of a college is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers and productive members of a dynamic global society.

Keeping all this in mind, the Annai Fathima College of Arts and Science, Thirumangalam, Madurai which is being run by the well-established management under the chairmanship of **Janab. M.S. Sha** who always wants to provide not only excellent academic environment but also to provide conducive infra-structure for un-interrupted and sophisticated learning.

Over the past 30 years, the **AFC** consistently provides an atmosphere for multifaceted development whereby, the students are encouraged to channelize their potential in pursuit of excellence. The college offers various professional courses along with arts and science courses in both PG and UG level to cater to educational needs of the rural and urban students.

With warm wishes and Almighty's Blessings, I once again welcome you all to the Gate-way of your Bright Future.

AFC is located in a lush green campus with all kinds of infrastructure and basic amenities on par with international standards. It is possessing hi-tech classrooms, laboratories, hostels for men and women and star studded restaurants are available inside the campus. The college is also located very nearer to the newly proposed AIMS - All India Institute of Medical Sciences. The Airport and Railway station are identified in a very short distance. A new bus stand is going to be established at the close vicinity of our college. It is enroute to Quilon.

Morning Assembly
@ AFC

The altruistic exigency of universalism needs an utilitarian and transient modern outlook and approach. It has been infused in the very core of the programmes offered in AFC. This is carried out with much effort and design in all our endeavors like teaching and learning. In the same line our students are trained to shoot the lucrative jobs of their desire and delight, through our campus interviews in collaboration with the various leading star hotels such as OBEROI, TAJ GROUPS, MARIOTT, HYATT, ACCORD, LE ROYAL MERIDIEN and leading Travel Operator Groups as well as International Airlines career in their organizations.

Co-Curricular and Extra Curricular activities such as Sports, Games, Educational tours, Theme Lunch, Barbecue, Talented search cultural programs are given to groom our students to develop as competent professionals in this competitive world. The college use to host Inter-Collegiate programmes in these activities.

NSS and YRC

The vibrant volunteers of NSS and YRC of Annai Fathima College have organized the dream projects of Central and State Govt., such as Maintaining Clean and Green Village, Popularising Digital Economy, Blood donation, Dosing Polio drops, awareness campaign on voters' day and world women's day in the adopted ALAMPATTI village on the advice and guidelines of Madurai Kamaraj University and with the help of local authorities.

Health, Well Being and Sports : Agenda for Youth

As a part of the series of programme under G20/Y20, Cultural and Social Activity Annai Fathima College organised an event on April 24 on the theme Health, Well-Being and Sports - Agenda for Youth. The Event was inaugurated by Her Excellency Hon. Dr. Tamilisai Soundaranjan, presided over by Prof R.Srinivasan. The event was attended by over 1000 participants, 5-plus panelists and several delegates from reputed institutions. It is very important to impart knowledge about physical and mental health to the teenagers. This initiative of Y20 Health Talk will surely enrich the understanding of youth and also encourage them to take health seriously.

Rally on WORLD FOOD DAY

World Food Day was established in November 1979, as suggested by former Hungarian minister of agriculture and food Dr Pal Romany. It gradually became a way to raise awareness about hunger, malnutrition, sustainability and food production. World Food Day is celebrated to mark the anniversary of the founding of the Food and Agriculture Organisation FAO of the United Nations, in 1945 every year. This day aims at tackling global hunger and striving to eradicate hunger across the world. Many other organisations concerned with food security such as the World Food Programme, International Fund for Agricultural Development also celebrate the day.

The theme this year is "Safe food now for a healthy tomorrow" to celebrate this day HMCS department organized a rally at Thirumangalam, Madurai. All of HMCS students and faculties participated this rally. This rally was inaugurated by our Principal Dr. Gladys Leema Rose.
